TO WHOM IT MAY CONCERN:

There have been rumors out there that TNT Rescue Systems is going out of business or being sold. This could not be further from the truth. There is a RUMOR circulating that the T-N-T Tool company is going out of business, and that has caused some confusion with our company (TNT Rescue Systems, Inc.) and our stability. TNT Rescue Systems is still operating, and in fact, is continuing to grow with the development of new tools and sales territories.

Keep in mind that the information being spread about the other tool company is a RUMOR and has not to our knowledge been verified. So let me assure you again that it is not TNT Rescue Systems, Inc.

Sincerely,

Tom Blanton, President
TNT Rescue Systems, Inc.
